

REMARKS/ARGUMENTS

Reconsideration of this application is respectfully requested.

The Office Action required the restriction of this application to one of two inventions claimed in claims 1-7, 12 and 8-11, 13-24, respectively.

Applicant elects claims 1-7, 12 (Group I) drawn to a transmitter with particular modulation, classified in class 398, subclass 183, without traverse.

Claims 8-11, 13-24 are cancelled from the application and Applicant reserves the right to file divisional applications incorporating the subject matter of claims 8-11, 13-24.

Also being submitted herewith is an Information Disclosure Statement submitting previously cited non-patent documents.

The application is now considered to be in a condition for examination on its merits.

Respectfully submitted,

By

George R. Repper
